Cheerleading

2026- 2027

Dear Cheerleading Candidates and Parents/Guardians,

Thank you for your interest in being part of the 2026- 2027 Somerset Panthers Cheer Squad. We at Somerset believe that cheerleading is an exciting and rewarding sport that teaches **teamwork, dedication, sportsmanship, leadership, school spirit, and hard work**. Being chosen to represent Somerset as a cheerleader is both an honor and a privilege. As a Somerset cheerleader, you will be in the forefront as a representative of our school and will be expected to always adhere to a strict code of conduct with honor, both on and off campus.

In this packet all details to be part of our program are listed. Please take the time to read all details and consider the time commitment this sport will require from both student and parent. Your commitment will involve active participation in afterschool practices (1 time weekly) and any performances for the season. There are also some immediate financial obligations. All fees can be found on page four of this packet.

We are happy to be in partnership with A1 - Athletics, a top-notch cheerleading and dance program that will enable all cheerleaders and dancers to advance their cheerleading skills, stunts, tumbling, and dance technique all in the convenience of our school environment and local gym.

We look forward to an exciting try-out clinic and wish everyone the best of luck!

Sincerely,

Somerset Academy Charter & A1- Athletics
